

Lab 1 – Designing a Logical Database

Data Dictionary

****Class****

Attribute	Definition	Data Type	Validation Rules
Id	Unique Identifier	UUID	Required, system-generated, immutable
Name	Display name	VARCHAR(50)	Required
Capacity	Class size limit	INT	
Description	Explanation of class	VARCHAR	
Duration	Class time length in minutes	INT	Required

****Schedule Class****

Attribute	Definition	Data Type	Validation Rules
Id	Unique Identifier	UUID	Required, system-generated, immutable
Location	Room or space of event	String	Required
Start time	Event start time	TIMESTAMP	Required
End time	Event end time	TIMESTAMP	Derived from duration
Class ID	Id of class - FK	UUID	Required
Staff ID	Id of staff running - FK	UUID	Required

****Staff****

Attribute	Definition	Data Type	Validation Rules
Id	Unique Identifier	UUID	Required, system-generated, immutable
Name	Staff persons name	VARCHAR	Required
Email	Staff persons email	VARCHAR	Required, Formatting
Phone #	Staff persons phone #	VARCHAR	Required, Formatting
is_trainer	Flag if the staff is a trainer	Boolean	

****Trainer****

Attribute	Definition	Date Type	Validation Rules
Staff Id	Staff's ID - FK	UUID	Required, system-generated, immutable
Specialty	Staffs training specilty	VARCHAR	

****Booking****

Attribute	Definition	Data Type	Validation Rules
Shedule Id	Schedule indentifyer	UUID - FK	Required
Member Id	Member indentifyer	UUID – FK	Required

****Member****

Attribute	Definition	Data Type	Validation Rules
Id	Unique Identifier	UUID	Required, system-generated, immutable
name	Members name	VARCHAR	Required
Membership Status	Members active status	Boolean	Required
Payment Method	Payment used for membership	VARCHAR	Required
Email	Members email	VARCHAR	Required, formatting
Phone #	Members phone	VARCHAR	Required, formatting
Start Date	Start date of membership	TIMESTAMP	Required
Expiry Date	Expiry date of membership	TIMESTAMP	Required, derived from startdate

****Payment****

Attribute	Definition	Data Type	Validation Rules
Id	Unique Identifier	UUID	Required, system-generated, immutable
Date	Date of payment received	TIMESTAMP	Required
Method	Method of payment	VARCHAR	Required, (VISA, MASTERCARD, CASH)
Amount	Amount paid	NUMERIC(10,2)	Required
Member Id	Paying members ID	UUID – FK	Required

Participation Table

Group Member	What They Did
Justin Shaw - 000981021	Wrote the Data Dictionary Table / Participation Table
Dylane Cunningham - 000935658	Made the EERD Diagram
Jazmin Horton - 000897560	Wrote README.md
Umayya Hewaarachchi - 000938545	Wrote the Business Rules and Assumptions
